

MIAMI CONTRIBUTOR STUDIO

Our Miami studio overlooks Brickell Avenue – known as the 'Wall Street of the South' it is Miami's flourishing downtown business district. The studio is available 24/7 with a robotic camera and lighting system and a 2-way return to allow your guest to watch their contribution.

Our convenient central location was built against the backdrop of Covid-19 which means we employ the latest 'hands-free' technology. That means we are protecting you and your guests from unnecessary risk. We can also offer roving crews and LiveU across south Florida.
